for Incoming Master Students

An overview of all courses (German and English) is available via the regular course catalogue¹. At the Faculty of Social Sciences, all courses are generally open for ERASMUS students (with some exceptions, e.g. the second part of a course from the last term). Bachelor students should register for courses on a B.A. level and Master students for courses on a M.A. level. ¹ **Note:** Please note that the course catalogue is still subject to change. We recommend having a look at the final [course offer](#) shortly before the beginning of the semester.

² **Seminar:** An advanced course on a **Master level** that teaches and provides scientific knowledge. Current problems are being discussed by applying scientific methods. Usually, active participation is mandatory and attendance can be restricted. If you only attend, you will gain 3 ECTS. If you take an exam/paper, you will gain 8 ECTS.

³ **STS:** Science and Technology Studies. A MA program of the Institute for Cultural Anthropology and European Ethnology.

⁴ **Blockseminar:** A short intensive seminar that takes place in a continuous period of a few days, more rarely for a few weeks. Often, a certain weekday or a half a day as a block time is also offered for several months. Blockseminars may include e.g. laboratory and field exercises, subject-related excursions, post-graduate courses. The examinations are often taken directly at the end of the time block, sometimes they are divided into thematic examination blocks.

⁵ Instead of *International Relations/Peace and Conflict Research* subsequently the German abbreviation "**ISFK**" is used.

⁶ **MEAS:** Modern East Asia Studies. A MA program of the Interdisciplinary Centre for East Asian Studies (IZO).

⁷ **DE/EN:** The seminar is held in German, but most of the literature is in English.

⁸ **Kolloquium:** A seminar where (advanced) students present and discuss their B.A. or M.A. proposals, research questions and/or findings.

Credit points

At the Faculty of Social Sciences students can achieve: 3 ECTS for attendance and participation (e.g. attendance and presentation) and additional 4 (or 5) ECTS for an exam/paper. Accordingly, you will get a maximum of 7 ECTS credit points for a course on Bachelor level and 8 ECTS for a course on Master level.

It is highly recommended to clarify with the lecturer at the beginning of each course which requirements are needed to accomplish 3 or 7 (8) ECTS. If you do not want to take an exam/paper, you will not get a grade for this class (only a certificate of attendance).
